## SPECIAL HANDSTAMPS — NOTICES

### Clarification on Sponsored Postmarks

We have recently become aware of instances where Sponsors have included their own brands in their designs when sponsoring a Postmark. This runs counter to how we had always intended Sponsored Postmarks to operate as the intention has always been to ensure that all Postmarks are open to anyone to use.

We accept that it is unfortunate that we did not spot this sooner and we apologise for any confusion this may have caused.

Now we are aware of it, we want to clarify that it is important to us to promote choice and for Postmarks to be of general use and support for the hobby. To be clear we would consider branding for events, especially philatelic or collectable events, so long as these are of general use and interest. We would also consider branding that relates to recognised Philatelic or Collectibles Organisations, which again would be of interest and appeal to collectors generally. By contrast company names would restrict use by Postmark users will not be accepted.

In order to address this issue for the long term we will update the terms and conditions of our Sponsored Postmark Contract to clarify the use of brands on all Sponsored Postmarks.

**Please Note:** That the following postmarks are all back in operation however due to the change in the equipment these are not suitable for use on Postcards when the stamps are affixed to the pictorial side of the card which results in the ink smudging due to the glossy nature of the cards.

Birmingham (4181), Stratford Upon Avon (4182), Newcastle Upon Tyne (4183), York (4184), Edinburgh (4185), Glasgow (4186), Belfast (4187) - **Northern SHC**

Carrickfergus (4188), Cardiff (5107), Caernarfon (4191). – **Wales & West SHC**

We would like to apologise for any inconvenience this may cause.

## COLOURED INKS

Sponsors of special handstamps may, for an additional fee, have the handstamps on their own covers applied in coloured inks. Unless otherwise stated in this Bulletin, covers sent in under the reposting service will have the postmarks applied in black ink. Indication of the use of any coloured inks will be given and readers interested in acquiring covers bearing these coloured postmarks should contact the sponsor for further information.

## FORTHCOMING SPECIAL HANDSTAMPS — UPDATED

Items for reposting, individually addressed and bearing at least the **2<sup>nd</sup> class** postage rate for UK addressed items should be sent to the reposting address given. To ensure prompt handling please mark the outer cover 'Special Handstamp' and state clearly the serial number(s) of the handstamp(s) required. On the first day of issue of new stamps items not clearly marked will receive the 'First Day of Issue' cancellation. The outer cover must bear normal postage and only those items bearing the postmark on or before the date of the special handstamp will be eligible for the cancellation. Collectors who want their covers/cards returned under cover after handstamping should enclose a suitable self-addressed envelope. This need not bear additional postage stamps, the postage being already paid by the stamp affixed to the covers for postmarking. The handstamp illustrations in this bulletin are approximately full size; we regret we cannot guarantee that the actual postmark impressions will be the same size as the illustrations. The handstamps are announced in sections for each of the Special Handstamp Centres, and where relevant Royal Mail Talents House, Forces Post Office, and other handstamping places. They are shown in date order with the name and address of the sponsor given at the end of each section.

For customers submitting covers/cards for more than one postmark, please use/provide a separate envelope for each postmark. Customers are also asked to clearly mark/identify the postmark number required. This will help us process the covers/cards more efficiently.
